

New Family Referral Form

2022-2023 School Year

(to be filled out by the family claiming the credit)

Social Circle Christian School is grateful for the shared personal testimonies of the wonderful experience our students and their families have had with others. We recognize that the best source of growth and attracting new like-minded and like-hearted families to our ministry comes from those valuable testimonies.

Families who recruit new families to SCCS are eligible to have a \$50 credit toward tuition if their referral leads to a new student being enrolled. The credit will be issued after the new family has paid all fees and tuition for at least one quarter of attendance. There is no limit to the number of credits that may be earned for this purpose. A referral form must be filled out in order to be considered.
