

## **SCCS Upper School Supply List.**

### **All grades unless specified**

- KJV Bible. The same one can be used till graduation. All of their verses will be KJV
- Pencil/school box (5x8) to store Pencils and pens.
- Pencils. I don't mind mechanical pencils but if pieces of lead on the floor becomes a problem, the mechanical pencils will be sent home. The ground in lead pieces does not come up off of the floor, even with mopping.
- Blue or black pens, (please no other colors for school work) and a red pen for corrections. I don't care if they take notes in their notebooks in fun colors but any work must be done in blue or black ink.
- Bar erasers
- One larger spiral notebook for each subject, the ones with 4 sections with pockets work great. They can be wide ruled or college ruled.  
**8th grade will need 5 spirals (including the graph one for math)**  
**9th grade will need 5 spirals (including the graph one for math)**  
**10th grade will need 6 spirals (including the graph one for math)**
- One Larger spiral ***graph paper*** notebook for math classwork and homework. Graph paper makes lining up the math problems easier and neater with fewer mistakes.
- ALL work not completed in the textbooks will need to be completed in the spiral notebook for that class. This way no work gets lost or misplaced and is kept neat and in order for studying. This also makes finding homework very easy.
- Highlighters
- (One) three ringed binder for keeping tests and quizzes for studying, ( at least 2 inch).
- 2 packs of tabbed dividers for 3 ringed notebook.
- 2 composition notebooks for research paper and science project (later in the year)
- 1 pack 3x5 index cards for research paper and science project. (later in the year)
- 1 pack 4x6 index cards for research paper and science project. (later in the year)
- Two (2) 3x5 ***spiral bound*** index cards for keeping math formulas and English rules handy. The spiral bound ones keep the cards from getting lost and they will be adding to and referring to these cards all year. **They can use the ones from last year and continue to add to them yearly.**
- Colored pencils
- Headphones for listening to the video school with 3.5 mm plug
- **8th Grade** will need a compass and protractor later in the year for math.
